Dear Customers,

Confirmation of Transition to 60 Day Notice Period – Landside Fee Changes in Sydney, Melbourne and Brisbane

Patrick Terminals confirms that we are voluntarily increasing the industry notice period for changes to landside fees to **60 days in Sydney, Melbourne and Brisbane.**

This change will be implemented with immediate effect following feedback from industry about the benefits of a 60 day notice period.

This will align the notice period for Sydney and Brisbane with the Victorian Voluntary Pricing Protocol.

The notice period in Fremantle is the subject of a separate arrangement with Fremantle Port Authority and will remain at 30 days at this stage.

Yours sincerely,

Michael Jovicic
