It is the shipper's responsibility to ensure that the correct of weight of an import container is documented prior to it being discharged and subsequently collected from Patrick's Terminal by their nominated carrier.

Patrick reserves the right to weigh a container within the terminal yard utilising a calibrated weighing device, the Pondus Stand.

A **Weight Amendment Fee for Import Containers - Weigh and Adjustment** charge of **AUD 289.25 per container plus GST** will apply to all containers determined by the Pondus Stand to have a weight variance of greater than +/- one metric tonne within the documented weight.

The Weight Amendment Fee for Import Containers will be charged to the transport Carrier.

Patrick will provide the Carrier with access to the amended weight (including a link to the certified weighing certificate) confirming the weight discrepancy.

Containers determined to have a variance of less than +/- one metric tonne of the documented weight will not be subject to the charge and handled as per normal protocol.

Notes:

- 1) All tariff rates are exclusive of Goods and Services Tax 'GST' which is payable in addition.
- 2) Charges for other movements remain applicable and are subject to Patrick's standard terms and conditions.
